

South Dakota Horseshoe Hall of Fame Nomination

Most horseshoe pitchers and those who contribute to the sport are not likely to boast about themselves. Those people certainly need to be recognized, so please give someone the consideration and take the time to send in their nomination.

The committee will review and consider all nominations. In the event that there are several nominations in any given year there will be a limit as to the actual number of inductees.

Please use the guidelines below when submitting a nomination to better help the committee review.
